NEW BUSINESS

Approval of Funds for Repairs to 300 Mill St. Building

Supervisor Sutherland explained that he called this special meeting after finding out there was no water supply at 300 Mill St. He went to the site and upon checking, realized the issue needed to be looked at by a well drilling company. He contacted Fox & Boley Well Drilling, they came to the site and determined there was no power to the well head. The company ran a temporary line and submitted a quote of \$1,200.00 for the permanent repair. He is requesting the board approve the bid from Fox & Boley Well Drilling, Inc. to replace the underground wiring from the well to the building at 300 Mill Street, at a cost not to exceed \$1,500.00. A short discussion followed. Motion was made by Treasurer Sauers, seconded by Supervisor Sutherland to approve the Fox & Boley bid to replace the underground electrical wiring running from the well head to the building at 300 Mill Street, at a cost not to exceed \$1,500.00. Motion carried on a roll call vote as follows: Aye-Sutherland, Oswalt, Sauers, Dame & Haystead. Nays-none.
