Homeowner Definition: A homeowner is a person who occupies or will occupy a single-family dwelling.

I affirm I am the owner of and occupy or will occupy a single-family dwelling located at:

---

Address

I agree to:

1. Apply for the appropriate permits.
2. Do all the work myself.
3. Pay the required fee.
4. Request for inspection by and approval of the inspector.
5. Make any required corrections.
6. **I understand that under Michigan laws, if I do not demonstrate knowledge and competence in performing this work, the inspector is required to cancel my permit, and all work will stop immediately.**

Electrical Code Rules, Part 8: Section 90-13 c defines a home as:

A homeowner who occupies or will occupy a single-family dwelling and other accessory structures located on the same lot intended for is by the homeowner for which the permit is obtained and who will install the electrical equipment as certified by the homeowner on the permit application in accordance with section 10 (4) of the 1972PA30, MCL S125.1510 (4)

I certify the electrical work described in this permit application shall be performed by me. All work shall be installed in accordance with the Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the electrical inspector. I will cooperate with the electrical inspector and assume the responsibility to arrange for necessary inspections.

By signature, I affirm that I will comply with the above requirements.
